CHIEF SECRETARY. 4 JULY 1928

To

SIR,

In forwarding herewith copy of letter No. A.2626/27 dated 9th April 1928 together with copies of enclosures received thereto from the Deputy Commissioner, Mysore District, I have the honour to state as follows:-

On the abolition of the taluk Board Establishments, some of the Sanitary Inspectors attached to the Taluk Boards were appointed Village Panchayet Inspectors. The latter posts are temporary. The Deputy Commissioner states, that one of the Panchayet Inspectors who was an Ex- Sanitary Inspector, of his district having applied for furlough on full pay in continuation of privilege leave, he made a reference to the Comptroller enquiring whether furlough can be sanctioned to him as the official held no substantive post and the Comptroller has replied that under the rules such of the Village Panchayet Inspectors who were ex Taluk Board Sanitary Inspectors and now hold no substantive appointments cannot be given furlough and that as their cases were peculiar, orders of Government may be obtained, to grant furlough on full pay to such persons. The Deputy Commissioner considers that it causes hardship on the Village Panchayet Inspectors who have no permanent lien, if furlough is denied to them by strictly enforcing the provision of Mysore Service Regulation and recommends that their cases may be sympatheti

ally viewed. I agree with him and recommend that an exception may be made in their cases so that they may be allowed the benefits of such leave to which they were entitled to while they were Sanitary Inspectors.

I have the honour to be,

Sir,

Your most obedient servant

appointment were permanent, the furlough leave which he earned while in the service of the Taluk board could have been sanctioned without question. But under Art. 197 (a) of the M.S.R. furlough is admissible only to those who hold substantive appointments. Further, as the Village Panchayet Inspectors are drawing less than even Rs. 80/- the furlough that they are entitled to, can only be on full pay" and not on average salary under the Art. 209 (a) M.S.R., as subsequently amended. The word "Pay" has been definied under Art. 24. M.S.R. to be substantive permanent pay - a pay which these Village Panchayet Inspectors are not drawing, because their substantive post was abolished and their present posts are temporary. Again under Art. 138 (b) M.S.R., the lien of an official will have to shift back to his substantive appointment drawing leave of over four months' duration. The Village Panchayet Inspector in question has utilised four months' privilege leave and has applied for furlough in continuation thereon. He holds at present no permanent appointment.

3. As such of the village Panchayet Inspectors who are ex-taluk board Sanitary Inspectors, do not hold at present any substantive appointment, I request you to kindly let me know whether it is possible under the rules to grant them furlough on full pay, and the authority on which it can be so granted, in the present circumstances. The favour of a very early reply is requested.

Furlough on full pay - Grant of - to certain Village Panchayet Inspectors.

I have the honour to forward herewith for information copy of my letter No.A. 2626/27 dated 27th February 1928 addressed to the Comptroller in Mysore regarding the grant of furlough on full pay to certain Village Panchayet Inspectors who were Sanitary Inspectors prior to the abrogation of Taluk Board Establishment and who do not hold permanent posts owing to the temporary nature of the Village Panchayet Scheme, and a copy of the reply thereto received from the Comptroller. The latter is of opinion that in the peculiar cases referred to, orders of Government may be obtained.

In view of the hardship that may be caused to such of the Village Panchayet Inspectors as do not hold a permanent lien by the rigorous operation of the provisions of the Mysore Service Regulations, I beg to recommend that the case may be sympathetically viewed and a suitable recommendation made to Government in the matter.

Letter No.A 2626/27 dated 27th February 1928, from the Deputy Commissioner, Mysore District, to the Comptroller to the Government of Mysore, Bangalore.

I have the honour to state that on the abolition of the Taluk Board establishments with effect from the 1st February 1928, Sanitary Inspectors till then attached to the Taluk Boards lost their substantive appointments. They were however, without break in their service, reabsorbed as Village Panchayet Inspectors. You are aware that the village Panchayet establishments, as they exist, are temporary.

2. In these circumstances, a Village Panchayet Inspector, who was formerly a permanent taluk board Sanitary Inspector, has applied for furlough in continuation of 4 months' privilege leave. If his present

Adverting to your letter No. A. 2626/27 dated 27/28th February 1928, requesting to be informed if it is possible for your, under the rules to grant furlough on full pay to such of the Ex-taluk Board Sanitary Inspectors, as do not hold any substantive appointments, and who are at present employed as temporary Village Panchayet Inspectors, etc., I have the honour to state that the grant of such leave to them is not admissible under the rules.

But as the case referred to by you is a peculiar one, you may, if you desire to grant furlough on full pay to such persons, obtain orders of Government in the matter.
